

Madinaty Medical Center
SOUTH SECTOR

MADINATY MEDICAL CENTER

A new medical center is set to brace the modern spirit of MADINATY . It is designed to cope with the high international standards' concepts that underline the exceptional style of living in a modern city to meet the day-to-day needs of its habitants. Contemporary architecture punctuated with concrete panels and glass are designed to pave the way for a modern flexible center, joining an up-to-date medical requirements, which visualize the unique image of the medical center. The three-storey medical center, which contains 53 clinics that range in size from "55m to 125m" (total area) , a lab department, a radiology department and a pharmacy, is equipped with the latest equipments and the highest technology that cover all specializations to satisfy our clients' heath needs. Located in the South Sector, gives the chance to cater the needs of the nearby districts and the needs of the habitants outside the city as well.
